Replacement tiled roofs that will transform your conservatory into a functional and stunning space
- a space meant for living in!

Transform your conservatory with the Warm Roof Division into an all year round living space. Our tiled roof systems undergo thorough testing and are subject to extensive research – producing a compliant, resilient product which is compatible with all roof styles. Its insulation values exceed current building regulations and boast a 0.14 U-value.

Custom tiles are tailored to your existing conservatory frame and provide you with a welcoming living space free from wind and rain noise, leaks and extreme temperature fluctuations.
